

HEART ADOPTION CONTRACT

_____ (name of adopter(s) agree to provide a permanent home for
_____ (name/description of animal(s).

I understand that this contract is between HEART and myself, and that if at any time I become unable to provide care myself, I will contact HEART as soon as possible to discuss new placement possibilities. I will not re-home or relinquish the dog(s) and/or cat(s) without first contacting HEART.

I agree to provide for and insure a good humane standard of care which includes:

- a good diet and constant access to clean water
- a suitable, clean, and safe environment for a cat or dog of its age
- affection and playtime
- good medical care
- an environment free from neglect, mistreatment, or abuse by myself or others.
- Not confining for long periods of time (i.e. cage, chaining)
- Keeping cat(s) indoors only and exercise caution to prevent escapes

If the animal(s) has not already been spayed or neutered upon adoption, I agree to deposit 10,000 yen for males and 20,000 yen for females and have it spayed or neutered by 6 months of age. I will provide proof of neutering or spaying to HEART when which my deposit will be returned.

I agree to provide HEART with periodic updates on the cat(s) or dog(s) well-being and whereabouts and immediately inform HEART of any change in address or contact information.

I give permission for a HEART representative to visit at any reasonable time to observe that contract conditions are being met. If I am unable to meet the conditions of this contract I agree to relinquish the animal(s) to HEART.
